

HIRING: FERRY CAPTAINS & ENGINEERS

Globology, Lake Victoria's fastest growing passenger ferry operator, is looking for captains and marine engineers in Uganda.

Globology is a catamaran ferry manufacturer and operator with activities on Lake Victoria in Uganda and Kenya. We offer safe and affordable transport of passengers and goods on Lake Victoria, providing the essential link between the lakes' islands and the mainland. Our catamaran ferries are 24 meters long and can carry up to 130 passengers.

Due to our rapid expansion we are looking for:

- **Captains with a coxswain and STCW qualification (class 3 captain is a plus)**
- **Class 4 marine engineers or qualified road truck mechanics**

If you are interested please send your CV and a short motivation to
