- Financial Management and Accountability - Provide good stewardship and oversight over all resources at all times and throughout the organization
- Compliance and Risk Management - Stay abreast of local legal and regulatory requirements/standards and ensure the office complies with them at all times; Ensure risks to the organization are identified in a timely manner and regularly report to the Board/Regional Office.
- Safety and Security - Maintain, and regularly review security and safety plans and protocols (security manual, evacuation plan, Disaster Preparedness Plan, Risk/Crisis Communication and risk assessments at national and AP levels) and ensure; understanding and compliance by all staff and visitors.

Requirements include:

- Bachelor's degree required in Development Studies, Social Sciences, Organizational Management, Leadership, Strategic Planning or related disciplines (Master's Degree preferred). An additional qualification in Resource Mobilization would be a plus.
- A minimum of 10 years management experience, 5 of which should have been at National/Country Director or similar level in complex development programming. Programme experience with WV integrated programming areas (Education, Health/WASH, Livelihoods, Child protection) desired. Experience in Microfinance operations and Humanitarian Emergency Assistance a plus.
- Demonstrable track record in working with and supporting Board(s) and leading senior management teams.
- Experience in managing diverse, strategic and time sensitive projects e.g. large scale infrastructural construction.
- Successful past experience in overseeing large grants and working with government donors (USAID, DFID, USAID etc.), UN agencies (WFP, UNHCR, etc.) and government structures.
- Willingness to travel up to 40% of time.

Is this the job for you?

World Vision is dedicated to our team members' development and their success. We aspire for all employees to be fulfilled through their work and their contributions to an organisation working to provide long-term sustainable solutions to the world's most vulnerable people.
