

## VACANCIES

### Organization;

Caritas Switzerland is a non-governmental, non-faith-based, and non-profit aid agency that works worldwide and adheres to international humanitarian principles. Caritas Switzerland has been engaged in Uganda since 1994. Its Country Program concentrates on education and income as well as food security and markets, and targets vulnerable groups with a regional focus on the greater north of Uganda.

Caritas Switzerland plans and implements its interventions together with local partner organizations, and promotes holistic approaches to contributing to achieve Uganda's Vision 2040 and the Agenda 2030 for Sustainable Development Goals.

### Project;

Caritas Switzerland is about to implement the **Action for Livelihood Enhancement in Northern Uganda (ALENU)**. The project is part of the Development Initiative for Northern Uganda (DINU), a Government of Uganda programme supported by the European Union (EU) under the 11th EDF. The consortium consists of four NGOs (Caritas Switzerland, Advance Afrika, Agency for Accelerated Regional Development, and Gulu Women Economic Development and Globalization).

**ALENU** focuses on improving livelihoods through increased production of diversified food, enhanced market opportunities and better maternal and child nutrition in six districts in West Nile and Acholi sub regions (Nebbi, Pakwach Zombo, Amuru, Agago, Omoro).

**Caritas Switzerland is recruiting for the following technical roles:**

### Position Consortium Coordinator (National Contract- 1 Position):

The Consortium Coordinator has overall responsibility for project implementation and will oversee and monitor all the related activities. He/ she will be the main point of contact for all the other stakeholders. He/she will represent the consortium at the (inter)national level.

**Reporting Country Director**

**Duty Station Gulu, with regular travel in Acholi and West Nile sub-regions**

### Position Monitoring, Evaluation and Learning (MEL) Officer (National Contract- 1 Position):

The MEL Officer will support the **ALENU** teams in planning, monitoring and evaluation of project results as well as facilitating learning from those results. The set up and organization of the complete MEL system with data gathering, processing, analysing, reporting, reflecting and learning as well as the integration of this cycle in the Project Management structure and process form the key of this job description

**Reporting Country Director**

**Duty Station Gulu, with regular travel in Acholi and West Nile sub-regions**
