

## JOB VACANCY

The NCD Alliance East Africa (EANCDA) was formed in 2014 as an informal network of the national Non-Communicable Diseases Alliances of East Africa. The goal was to create a strong Alliance of advocates to increase awareness and advocate for action against NCDs in the East Africa.

EANCDA is now registered in Uganda and it's organised in a cascading structure at three main levels at regional and national level. At regional level it is constituted by national Alliance of Burundi, Kenya, Rwanda, Tanzania, Uganda and Zanzibar (which is a semi-autonomous territory under Tanzania). The national NCD Alliances are in turn constituted by member Associations...
