## UGANDA HEALTH ACTIVITY – PALLADIUM INTERNATIONAL, LLC

Palladium is a global company working to design, develop and deliver positive impact on the lives and livelihoods of people around the globe. We operate in over 90 countries and have a workforce of 3,000 talented, motivated, and diverse staff of all religions, races, languages, and gender identities.

The USAID-funded Uganda Health Activity aims to increase access to and use of quality healthcare services and improve the performance of the health system at subnational levels in priority districts. Please be advised that the Uganda Health Activity is an anticipated project, and the positions are contingent upon award from USAID. We are currently recruiting for several positions for the Uganda Health Activity. If interested, please apply using the below links.
